[www.spencercountyky.gov](http://www.spencercountyky.gov)

July 9, 2018

Commissioner Sandy Dunahoo  
Department of Local Government  
1024 Capital Center Drive  
Suite 340  
Frankfort, KY 40601

RE: Pledge of Allegiance to the Kentucky Flag

I wanted to urge you to seriously consider that as elected officials we are all required to take the sacred oath of office which in part says: I do solemnly swear (or affirm, as the case may be) that I will support the Constitution of the United States and the Constitution of this Commonwealth, and be faithful and true to the Commonwealth of Kentucky so long as I continue a citizen thereof, *Emphasis added.*

Since becoming County Judge Executive in January 2015, Spencer County Fiscal Court meetings open with prayer, the pledge of allegiance to the US Flag and we then turn and rightfully pledge allegiance to the Kentucky Flag. Our oath of office and KRS being our guide and instruction.

Most people, including elected officials are completely unaware that there exists in Kentucky Statutes an official pledge of allegiance to our state flag. Research will show the legislation passed by unanimous vote in both the House and Senate. It is a very simple and easy to learn pledge. I am encouraging the Department of Local Government to be the leaders of elected officials across Kentucky including legislators and schools to give the proper reverence to our state flag and our official pledge to it. The department can begin this by including both pledges in the opening ceremonies of the upcoming and any conference or meeting that begins with prayer, pledge of allegiance to the US Flag and rightfully should also include our official pledge of allegiance to the Kentucky Flag. All Kentucians and especially our elected officials should be able to recite the Kentucky pledge as easily as the US pledge of allegiance.

KRS 2.035 Pledge of allegiance to state flag. The following shall be the official pledge of allegiance to the flag of the Commonwealth of Kentucky: **"I pledge allegiance to the Kentucky flag, and to the Sovereign State for which it stands, one Commonwealth, blessed with diversity, natural wealth, beauty, and grace from on High."**

Effective: July 14, 2000

History: Created 2000 Ky. Acts ch. 206, sec. 1, effective July 14, 2000.

Thanks in advance,

John Riley

**B. Call to Order by the County Judge Executive**

**C. Roll Call by the County Clerk**

**D. Approval of Minutes from Prior Court Minutes**

- On the motion of Esq. Judd, seconded by Esq. Bayers with all members of Court present voting 'aye' with the exception of Esq. Moore, who voted 'nay', it is hereby ordered to approve the minutes from July 2, 2018 with any corrections being made.  
Page 5 line 11 from the bottom, correct the word "though" to "thought"

**E. Communications from Citizens \*\*\*3 minute limit\*\*\***

There were none.

**F. Communications from County Judge Executive**

1. The courthouse gutter and tuck pointing has been completed.
2. The process for FEMA has changed, the County now has to go to a portal which creates more work on the County's end.
3. An electrician has checked out the power at the animal shelter and a veterinarian has been out to check the animals to make sure they aren't overheating due to the weather we have been having and he said that there was plenty of ventilation and air flow with the fans in the building and that there were no major problems and that the Animal Control Officers should just "keep an eye" on the animals.
4. **Parks Department Hire-** Judge Riley stated that he had a couple of individuals interested in the job with the parks department/recycling center and that there was one in particular that would be a good candidate but he did not currently have his high school diploma or GED.
  - On the motion of Esq. Bayers, seconded by Esq. Moore with all members of Court present voting 'aye' it is hereby ordered to approve the hire of this individual with the stipulation that he get his GED within 6 months of hire and depending on his work ethic.
5. The tournament at Ray Jewell Park was a success.
6. The HWY 44 resurfacing is finished but the crossovers and shoulders will not be finished with asphalt.
7. The bridge replacement on Normandy Road should be completed by the end of the current Fiscal Year.
8. Deerwood Lane
  - Motion was made by Esq. Rogers and seconded by Esq. Moore to formally reclassify and declare the reconfigured Deerwood Lane as a private road. This motion and seconded were both rescinded and Esq. Rogers will take a look at the area and report back to court at the next meeting.

**G. Communication/reports from Members, Other Offices and Committees**

**1. Zoning, readings and recommendations**

There were two first readings:

- A. Marvin & Lynne McIntosh requesting a zone change from B-2, commercial to AG-1, agricultural on 24 acres located on the corners of Bloomfield Road and Overlook Road.
- B. Mike Fowler requesting a zone change from AG-1, agricultural to AG-2, agricultural and R-1, residential on three separate tracts of land. Tract 1 - 2ac, Tract 2 - 1.50ac and Tract 3 - 6.50 acres located on Mike Brown Lane.
- C. Plum Creek Road Property –

- On the motion of Esq. Judd, seconded by Esq. Bayers with all members of Court present voting 'aye' it is hereby ordered to have the County Attorney move forward with action on the Plum Creek Property that is in violation with the Zoning Codes.
2. **Jailer Quarterly Report** – Report not turned in.
  3. **Animal Shelter Report**

**Spencer County Animal Care & Control**

- On the motion of Esq. Bayers, seconded by Esq. Judd with all members of Court present voting 'aye' it is hereby ordered to approve the bid of Charles Ashby to do the electrical work needed at the recycling center for the baler.

**B. Election storage area/Maintenance, Jailer and Coroner's Offices**

**Hesselbrock, Lynn (Spencer County Clerk)**

**From:** Hesselbrock, Lynn (Spencer County Clerk)  
**Sent:** Saturday, June 30, 2018 8:33 AM  
**To:** Hesselbrock, Lynn (Spencer County Clerk)  
**Cc:** Steve Hesselbrock; sniderjmsr@aol.com; Michelle Johnson; Hesselbrock, Lynn (Spencer County Clerk)  
**Subject:** revised recommendations

Per our meeting earlier today, and feedback from members, here is the revised list of recommendations from the Spencer County Board of Elections. Again, thank you for your diligent work on behalf of Spencer County voters.

1. The Board needs access to a bathroom.
2. The Board requests climate-control for the voting equipment. This is a recommendation of the EAC (Election Assistance Commission) to optimize and possibly extend the life of voting equipment. Equipment is 10-12 years old. E-Slate equipment will not be able to be replaced per the State Board of Elections. We will not be able to order parts for this voting equipment. This is our handicap accessible equipment.
3. Ascertain if having only one entrance/exit would meet fire codes and building codes for safety.
4. Safe alley access. The alley would be the only access the Board has to the voting equipment storage area. The alley presents some safety concerns. There would need to be a step built to descend the storage area and a slab poured to alleviate walking in the mud. The outside area for the proposed door entry should be physically restricted by bollards so that vehicles cannot drive too close to the doorway or park in the door area. A handrail would need to be installed.
5. The security system would need to be revamped and revised to accommodate the change in entry.
6. There would need to be additional storage shelves built to offset the loss of storage space.
7. The interior closet space would need to be rebuilt to remove moldy insulation, wall off possible entry from the second floor, and possibly provide some storage space.
8. Rodent and pest control should be done on a regular schedule, both for smell and health related reasons. The area smells like dead rodents. There are visible insects, both dead and live.

**Date:** 7/9/2018 3:30 PM

**To:** Lynn Hesselbrock <lynnhesselbrock@spencercountyky.gov>

**CC:** "Karen Clark, Deputy Judge Exec." <karenclark@spencercountyky.gov>, Randy Bush <randybush@spencercountyky.gov>, "Darrell Herndon (Jailer)" <darrellherndon@spencercountyky.gov>, Steve Hesselbrock <lynn111@earthlink.net>, "sniderjmsr@aol.com" <sniderjmsr@aol.com>, "makarmstrong@gmail.com" <makarmstrong@gmail.com>, "Brittany Veto (AdMinAsst)" <brittanyveto@spencercountyky.gov>

Lynn,

Thank you for giving me the email last Monday dated June 30th (revised recommendations) that was evidently sent to the Board of Elections members outlining a revised list of recommendations regarding the election equipment storage area.

As you know we are planning make the office space currently used by the Occupational Tax Office available for use by the Spencer County Coroner. The other side that was at one time used for the County Surveyor will be converted for use by the County Jailer and Building Superintendent. There has as you know been issues regarding security of the Tax Office as well as the Board of Elections storage area. Currently the Board of Elections workers must access the storage area through the Occupational Tax Office. We will be installing a secure door that will allow access to the Board's area without having to go through another office. Our plan is to install a new 36" commercial steel door (preferably with a small window) that enters directly into the BOE storage area from Back Alley. We will also move or reconfigure any electrical or alarm system wiring needed for direct access.

The issues you've addressed in the email are the following:

1) You are requesting access to a bathroom.

Note: That should be no problem, when we close the access between the Coroner's office and the storage area we will do that at a point to allow BOE to have access to the restroom. The Coroner, Jailer and Building Maintenance offices can use the restrooms in the main courthouse.

2) The BOE is requesting a climate-control system.

Note: There evidently has only been heat supplied to the storage area. Supplying complete climate control including air conditioning would need to be a separate project from the office reconfiguration we are doing. That is not anticipated to be a part of the current project. If full climate control is needed for that area it would need to be assessed and cost estimates acquired in order for BOE and Fiscal Court to make a decision to do that project.

3) Ascertain if having only one entrance/exit meets fire and building codes for safety.

Note: Entry and exiting from Back Alley versus another office fronting on Main Cross will pose no issues regarding fire or building code for safety. As is the current configuration, the space also has an overhead door as well.

4) Safe alley access, a step mud and other concerns.

Note: We will do what is necessary regarding these issues if needed, necessary and

Board of Elections Storage

required for safety, however we do not anticipate installing bollards at this time.

5) Security System issues

Note: The security system will be reconfigured to accommodate the reconfiguration of the office and storage spaces.

6) Additional Storage Shelves

Note: This as with the climate control issue would need to be considered as a separate project. Please just let us know what BOE has in mind for additional shelving.

7) Rebuild interior closet space, moldy insulation, entry from 2nd floor and providing storage space.

Note: With regard to moldy insulation. This is the first time to my knowledge the issue has been mentioned. I will notify Darrell Herndon and Randy Bush to investigate and advise on correcting these issues including entry from 2nd floor. They will need access to the space in order to advise us of the scope of work and costs. Regarding additional storage space, BOE will need to let us know what your needs are and we can also assess possible better use of your existing space to accommodate the needs of BOE.

8) Rodent & pest control.

Note: This is the first indication or information regarding a possible problem. Please feel free to contact Randy Bush to investigate the situation. The BOE would need to make arrangements for this service and to allow access since only BOE has access.

I am recommending to the Treasurer to create a new line item in the budget in the 5065 Board of Election - Election Expense section of the budget so we can better track expenses related to elections, storage space and other expenses.

If you or any BOE members have any questions or concerns please let me know. We are currently exploring the best source for the new door and the best options for installing it. Darrell Herndon or Randy Bush will let you know when we want to schedule its installation. We expect it may be a couple of weeks or so before we can do that. The reconfiguration of the alarm system and electrical work will of course be coordinated with the installation of the new door.
